

The Medicare team at Allina Health | Aetna is always looking for new ways to deliver forward-thinking health insurance solutions, including a coordinated care experience.

At Allina Health | Aetna, we believe a total approach to health and wellness is essential. By providing support for the body, mind and spirit, members can get the care they need to age actively.

- Lower out-of-pocket maximums on select plans
- Lower primary care copays on select plans
- An expanded travel network to allow visits to an Aetna Medicare PPO provider anywhere in the United States
- Lower Part D deductibles
- \$0 copays on all plans for Tier 1 medications filled at preferred pharmacies
- 18 acupuncture and non-Medicare covered chiropractic visits combined per year on all plans
- Continuation of our \$45 per month over-the counter allowance, SilverSneakers® fitness benefit, Resources For Living® program, home-delivered meals after a qualified inpatient hospital stay, cost savings for diabetic supplies through our preferred manufacturer, healthy home visits, and our healthy rewards program
